JusticeCON is the first MidAmerica regional con for youth ages 14-18 (high school) and their chaperones! The focus will be on workshops to build social justice skills in our congregations with particular focus on gearing up for the National Day of Witness and Service at the UUA General Assembly on June 23, 2012.

We hope that teams of adults and youth will be attending, with a goal of 2 adults for every 8 youth -- to ensure that teams go back to their home congregations to build awareness of immigrant's rights and a wide array of social justice issues!
