

Midwest UU Leadership Upcoming Programs

(Sponsored by the Central Midwest, Heartland, and Prairie Star Districts)

All events FREE except as marked. Please check your district calendars and newsletters for more details and more updated information as it becomes available. Participation is through telephone and internet connection. After trying a few online programs this past year, we are pleased to be sponsoring a full year of programs for 2009-2010. If you would like to view a selection of past online programs and other Central Midwest District podcasts see: <http://cmwduua.libsyn.com>. Our goal this year will be to record and archive all these programs providing you with a growing online library of audio program from our UU region and from other regions. For more information contact Ian Evison: ievison@uua.org or 773-326-9787.

Registration details will be available approximately 30 days prior to each webinar.
